

## Welcome

We welcome you and your family's involvement and participation in Maryborough West State School.

We acknowledge excellence in academic, cultural and sporting endeavours as integral to our school culture which strives to support and celebrate success for all students.

We recognise that each student is different and the timing of the stages of development are unique to each child.

We pride ourselves in improving the learning outcomes for each student enrolled at our school.

We know that you will want to share in the confidence, growth and achievement of your student.

To do this, we hope you will become part of our school by working with us to ensure an enjoyable and rewarding journey together.

We look forward to getting to know you and your family as members of the Maryborough West School community.
